

LGC Cruiser Annual Newsletter

With the impacts from the Covid 19 pandemic hopefully behind us, we can finally look forward to getting Let's Go Cruisin up and going. We appreciate the encouragement we have received over the last few months and we look forward to having you cruise along with us as an LGC Cruiser.

The Covid Years Window Stickers

With all LGC activities cancelled in 2020 & 2021, we suspended our Cruiser program and did not issue

any window stickers for each year. We have arranged for a small print run of these two years window stickers so you can keep your sticker collection unbroken and avoid forever looking at the gap from the two 'missing' years. See Kerin at our tables when renewing your subscription for these stickers.

2023 Events:

Peninsula Cruise Night

1st Tuesday of the month – Sept thru April

We're all looking forward to hosting our first Cruise Night on September 6th at the Homemaker Centre in Mornington from 5:30pm. We haven't tinkered with the cruise night format. Why would we when we all enjoy getting together while checking out the 100's of great cars that cruise across the year. The Rotary club will be back with their BBQ at all the nights that fall within the daylight savings months.

SANTA CRUZ The December Cruise Night will again be hosted as Santa Cruz, with everyone's favourite Santa Claus making another appearance.

Winter Warmers The 'indoor' get together at the Baxter Tavern on the 1st Tuesday of months May thru August while the Cruise Night is in recess, enable us to continue catching up over the colder months.

Ocean Cruises We plan to resume inviting Cruisers on future ocean cruises as we all get more comfortable with the idea of life aboard a cruise ship again. With the number of cruises planned ex Melbourne on the increase, we'll be looking out for cruises that offer a 'good' group deal that might attract many of you to come along. An LGC group Cruise is a great way to be introduced to Ocean Cruising.

Sun Cruise

We all know how more enjoyable cruising is in your favourite car when the sun is shining and the roads are

dry. With Melbourne's famous changeable weather, planning to host car events often ends in weather related disappointment, as no one enjoys cruisin in inclement weather. We're going to try turning things around occasionally by hosting 'short notice' cruises to take advantage of the 'dry/sunny' weather forecast for the coming Sunday.

How this works:

When the weather forecast released on Wednesday for the following Sunday indicates a 'dry/sunny' day ideal for a cruise, we may decide to give the green light to host a Sun Cruise. These days can occur even in Winter and while the temperature forecast might be cool, the day still offers a good opportunity to cruise. These short notice cruises will be low key and simple in format. For example, it could be a 'coffee' cruise, meeting at a designated café mid morning or a cruise from a meet point onto to a venue of interest or even lunch.

How will you know about a Sun Cruise when we pull the trigger?

- We'll post cruise details on our Facebook page – LetsGoCruisin1 on Wednesday night.
- We'll email you directly if you provide your email address for our Sun Cruise contact list
- We'll confirm our Sun Cruise as goer on Friday again on our Facebook page. If the forecast changes for the worse, our Sun Cruise is off. It's 'dry/sunny' weather on the day or it's off.
- If the weather guys get it wrong and it's raining on Sunday morning it's automatically off.

We appreciate that not everyone might be able to participate on the particular Sunday of any short notice Sun Cruise, but hopefully you'll be able to come along on the next one.

Ladies Social Events The lady members of Let's Go Cruisin' have continued to host social get togethers over recent months.

They locate good value venues where you can gather and enjoy catching up. They ask that you register your intention to come along to ensure there's a seat waiting for you. Heather circulates a monthly email to anyone providing her their email address. Details and bookings at the LGC table at our events or via our web site or Facebook

Cruiser prize draws at all events.

Cash prizes are always popular so we'll again be including some cash in our prize pool when drawing winners from LGC Cruisers who register in each prize draw at our events. How do you get to win one of these prizes or a \$100 note that's up for grabs? When attending any LGC event, make sure your subscription for the current year is paid up and then enter your name and *Cruiser* # in the draw at our event tables. If your name is drawn, you'll be very popular on the trip home. Of course, LGC Cruisers are also eligible to win any entrant's prizes on offer at all events. Good Luck.

Great prizes in our Grand Prize Pool.

When taking out your annual *Cruiser* subscription, you are automatically entered in our Grand Prize draw for 'free'. We have some great prizes on offer this year for the lucky winning *Cruisers* to choose from. Winners will be drawn at the March Peninsula Cruise night from the register of financial *Cruisers*. You do not have to be present at the draw to claim a prize. If you are present and your name is drawn, you will have the right to choose your prize over any other winning *Cruiser* not in attendance at the draw.

Dave from the Frankston Engine Centre has made available \$500 in cash for one lucky *Cruiser* to win in year's *Cruiser* grand prize.

Shannons have been LGC sponsors from our earliest events and have generously provided \$500 in cash to be won by a *Cruiser* next March Cruise Night.

A \$1000 voucher towards a 'Big Brake kit' or other brake products compliments of Hoppers Stoppers, Hoppers Crossing.

Garage 12 in Collins Rd Dromana have made available \$500 cash prize for next March's *Cruiser* Prize Pool. Cha-ching. Tony Morphett's new venture will have the ability to perform all fabrication & paint to show car finish.

We will again have entrants

gate raffle prizes that include ACDelco and MotorActive products at events.

Club Permits are not available through Let's Go Cruisin' but we're happy to assist LGC Cruisers to obtain a 45/90 day VicRoads permit. We recommend joining the Australian Street Rod Federation to obtain club permits. They cover permit applications for all cars from stock thru to highly modified. Contact us for assistance if required.

Cruiser Subscription Renewals for 2023

Still only a \$20 for your annual subscription. This year we request that you renew your subscription for 2023 in person when attending your first event. The September Cruise Night will be 'free gate entry' so just park and renew at our tables. If renewing at later events just tell our members on the gate that you'll be renewing at that event to gain free entry.

Not yet a Cruiser? See the girls at our tables for information on what our program is all about.

It's Thank You from us.

We aim to offer LGC Cruisers 'something extra' at all our events. We greatly value the support we receive when 'chrome bumper car enthusiasts' take up a subscription. It gives us the encouragement to keep hosting our established events while looking to provide something different when we can. We hope you; your family members and friends enjoy your participation at LGC events as a *Cruiser*.
